# Standing Luminaires

## MICROS

Highly efficient free-standing luminaires are the alternative to classical office lighting. MICROS is absolutely glare-free and can be flexibly used. Projecting indirectly with a discreet direct component. Modern design and many technical options facilitate innovative office solutions.

**PANELL**

Angular linearity is the design statement of this floor luminaire. Highly efficient through high quality lighting technology and 4-flame assembly with state-of-the-art TC-L lamps in 55W and 80W. Indirect projection, upon request also with direct illumination or direct auxiliary lighting. Therefore the ideal office floor luminaire as a complete or an auxiliary lighting concept.
